## CHILD BOOKING

How to pay for my child and book "Bespoke ballroom" Drama and Dance academy classes:

If you are planning to be a member of SOO YOGA wellbeing centre yourself and take adult classes you MUST create 2 separate accounts with two separate emails -one for yourself and one for your child. If you are not planning to take classes at Soo Yoga yourself you can create only one account with your name and add your child as a family member. This way you will be able to pay for your child's classes however the teacher will see your name on the class list.

Booking classes for your child:

1. Using desktop go to [www.sooyoga.com](http://www.sooyoga.com) website and click bookings , follow the link to Mindbody booking system OR download our free app on your phone and set up an account with your child's name
2. Create an account with your child's name by using an email which you have access to, this email can not be the same as the one you use for your own personal profile
3. Store your credit/debit card information , the card could be the same as on your personal profile
4. Once you set up an account you will be able to purchase and book classes. Your Child's name will appear on the class list.
5. If you set up another account for yourself , log out from your child's account and log into your account to book classes for yourself
6. Please note all family classes are covered by your membership/pricing packages-there is no extra charge for your child
